MOTHER TERESA OF ST ROSE OF LIMA
OUR FOUNDRESS

Mount Carmel College is owned and administered by the Carmelite Sisters of St. Teresa (CSST). The vision and mission of CSST founded on 24 April 1887 is a reflection of the life and teachings of our Foundress Mother Teresa of St Rose of Lima.

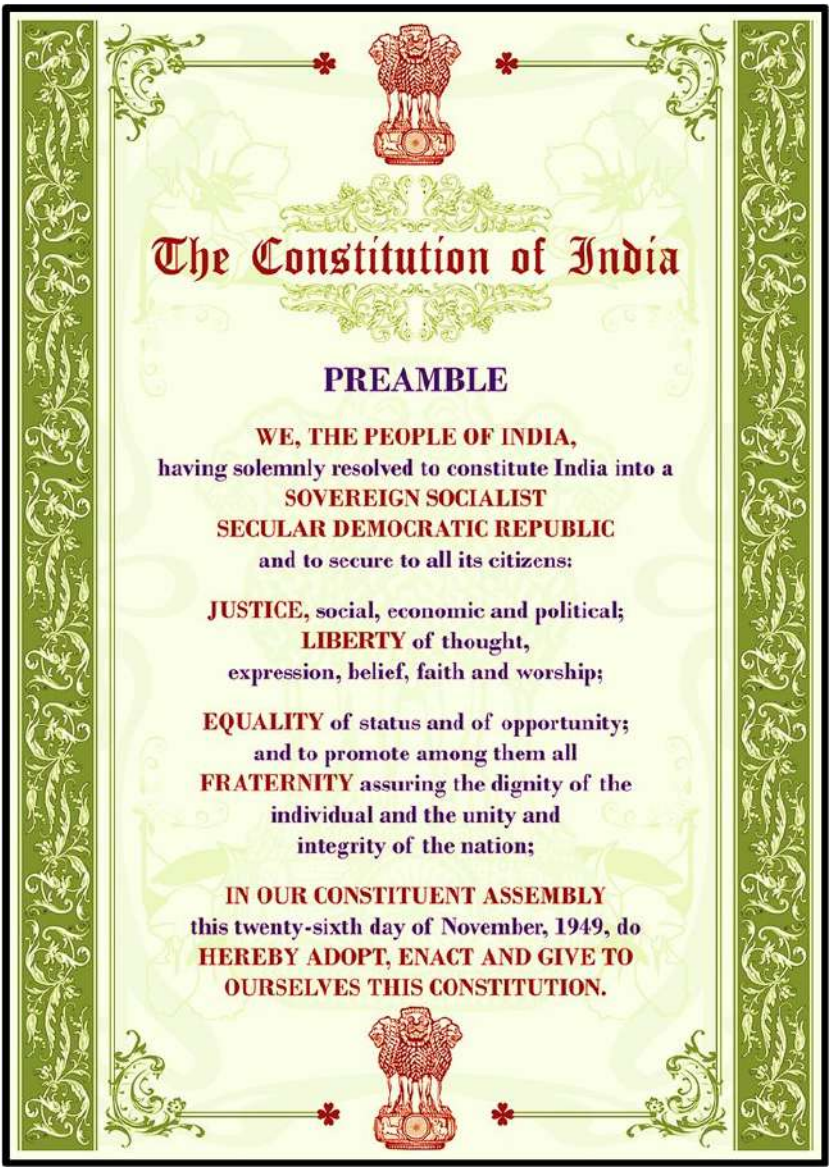

Born as Mary Grace in Madras, South India, on 29 January 1858, she was a woman of substance and perseverance, who thought beyond her times and chose to take a leap of faith in the field of education. Her prowess, aptitude, and charismatic persona led to many significant achievements in the field of education. She used learning as a weapon and a tool that enabled girls to become leaders and strong, upright citizens who contributed to the evolution of society.

Mother Teresa of St. Rose of Lima spearheaded a new dawn in education. Several of her initiatives, innovations, and achievements in education and social advancement now seem prophetic in the dynamic national and global

scenarios. Her vision led to the foundation of Mount Carmel College, which now stands as one of the most renowned institutions in India, engaged in the quest to impart holistic education without discrimination on grounds of caste, religion, and creed. As a Catholic and a Carmelite Institute, it strives to promote the development of young minds by amalgamating the human persona, life, and the world. The management and the staff, faithful to the spirit of Mother Teresa, pay tribute to her vision by transforming students into citizens who are worthy of God, the Nation, and the World.

MCC: A BRIEF HISTORY

Mount Carmel College, Autonomous is owed and managed by the Carmelite Sisters of St. Teresa (CSST). The journey of Mount Carmel College began in **1944 in Trichur, Kerala** as **Carmel College** affiliated to Madras University. To meet the increasing demand for women's education, the Management took the decision to shift to Bangalore in the year **1948.** Initially affiliated to Mysore University it later became an affiliated college of Bangalore University in 1964. Presently the institution is affiliated to **Dr. Manmohan Singh Bengaluru City University**.

In largely uncharted waters this minority institution that was originally intended for Catholic students opened its doors to those of all castes, creeds and communities, thereby fulfilling its mission of empowering youth and equipping them with knowledge and strength of character, to transcend narrow concerns and work tirelessly towards the vision of a better and more egalitarian world.

Beginning with a few hundred students in 1948, the college has grown exponentially and today caters to over **10,000 students** offering programs across all streams – **Humanities, Social Sciences, Natural Sciences, Applied Sciences, Commerce, Management and Education.** Today the institution offers **51 undergraduate, 18 post graduate and 11 Doctoral programs.** The growth and diversification of the institution over the last **78 years** demonstrates its sensitivity to keep abreast with the rapid changes in the higher education space and economy.

An **Autonomous College** since 2005, Mount Carmel College was first accredited with 5 Star in 1999, Re-accredited with an A+ in 2006, 'A' Grade in 2012 in its third cycle, A+ in the fourth cycle of accreditation and again A+ in the fifth cycle in 2024 by the National Assessment and Accreditation Council (NAAC). In 2006,

University Grants Commission identified the college as '**College with Potential for Excellence' (CPE).** The ten-year extension of autonomy in 2022 is a reflection of the impact that the institution has had in terms of the nature of programs offered, the increase in student strength, the effective governance and management. The Institution is consistently ranked among the top 20 colleges in India.

The college has well established research facilities and state of the art laboratories, which facilitate research culture both among staff and students. **Eleven Departments** have been recognized as **Research Centres by Dr. Manmohan Singh Bengaluru City University**.

The mission of the institution to empower students to be catalysts of change has ensured that learning goes beyond classrooms. With over **65 Associations/Clubs**, the students are engaged in several co-curricular activities, which enables them to nurture their skills, hone their talent and in the process mold them to be confident personalities.
