MOUNT CARMEL
(Deemed to be UNIVERSITY)

Estd. 1948 | A CSST Institution | Bengaluru | Karnataka | India

ADMISSIONS

Why Mount Carmel University?

A Legacy of Learning. A Future of Possibilities.

Holistic, Value-Based Education
Learning that nurtures knowledge, ethical values, personal growth and social responsibility.

A Legacy of Education
A longstanding educational tradition in Bengaluru, dating back to 1948.

Interdisciplinary Learning
Opportunities to explore diverse academic disciplines and develop broader perspectives.

A Supportive Learning Environment
Guidance from faculty and access to modern learning facilities that encourage academic growth and inquiry.

Critical Thinking and Social Responsibility
An emphasis on curiosity, independent thinking, empathy, responsible citizenship and meaningful contributions to society.

STEP BY STEP

Your Admission Journey

1	STEP 1 **Explore**	Visit the official website, review the programmes offered, check the eligibility criteria and register to proceed with the admission process.
2	STEP 2 **Apply Online**	Complete the online application form through the official university website.
3	STEP 3 **Submit Documents**	Upload the required scanned documents, pay the application fee and submit the completed application.
4	STEP 4 **Verification & Selection**	Complete the Entrance Test & Interview. The university verifies documents and communicates selection updates to shortlisted candidates.
5	STEP 5 **Confirm Your Admission**	Pay the programme fee within the notified deadline and follow the university's instructions to receive *provisional admission* confirmation.

Admission criteria, entrance tests, selection procedures, fees and deadlines may vary by programme. Please refer to the official website for the latest requirements.

ACADEMICS

EXPLORE OUR ACADEMIC SCHOOLS

Discover Your Interests. Find Your Direction. Shape Your Future.

Discover a world of diverse learning at Mount Carmel, home to six academic schools spanning Commerce, Management, Computational & Physical Sciences, Biological Sciences, Design, and Humanities & Social Sciences. Through interdisciplinary programmes, experiential and industry-integrated learning, and research opportunities, students develop knowledge, creativity, and confidence, preparing them for higher education, research, and diverse professional pathways.

01 School of Commerce

Empowering generations through a distinguished legacy in commerce education since 1980, the School offers future-ready B.Com and M.Com programmes across diverse disciplines, a B.Com BPM programme in strategic collaboration with TCS (Academic interface programme), Business Analytics, FinTech and pathways to leading global professional qualifications, including UK ACCA, US CMA, CPA, CFA and Indian CA. Through experiential learning, industry engagement and a focus on professional excellence, the School prepares graduates to thrive in a dynamic global business environment.

PROGRAMMES UG PG Ph.D.

02 School of Management Studies

Future-ready BBA and MBA programmes aligned with Industry 4.0 and emerging Industry 5.0 paradigms, featuring BBA Regular with industry-aligned specialisations in Finance, Marketing and Human Resource Management, alongside specialised programmes in Branding and Advertising, Business Analytics, Strategic Finance, FinTech, Aviation, Tourism, Healthcare and Hospitality, supported by experiential, industry-integrated learning.

PROGRAMMES UG PG Ph.D.

03 School of Computational & Physical Sciences

The School of Computational & Physical Sciences integrates the foundations of scientific inquiry with advances in computing and emerging technologies. Its academic disciplines encompass Computer Applications, Artificial Intelligence & Machine Learning, Cyber Security, Data Science, Robotics, Mathematics, Electronics and Physics, fostering interdisciplinary knowledge, analytical excellence, technological innovation and research-oriented learning to address evolving global challenges.

PROGRAMMES UG PG Ph.D.

04 School of Biological Sciences

The School offers undergraduate programmes in Biotechnology, Microbiology, Biochemistry, Plant Biotechnology, Zoology, Computational Biology, Neuroscience and Environmental Science, plus single-major degrees in Chemistry, Food Science, Home Science and Nutrition. Postgraduate programmes span Biochemistry, Biotechnology, Botany, Chemistry, Food Science & Nutrition, Life Science, Microbiology, Wildlife & Conservation Sciences and Zoology, with Ph.D. research.

PROGRAMMES UG PG Ph.D.

05 School of Design

Two flagship programmes, B. Design in Fashion & Apparel Design and B. Design in Interior & Spatial Design, merge theoretical concepts with intensive hands-on studio learning shaping industry-ready competencies.

PROGRAMMES UG

06 School of Humanities & Social Sciences

Ranked among India's leading institutions for Humanities, the School brings together fourteen departments, including Languages and Physical Education, blending strong theoretical foundations with research and practical skills. Sociology, Psychology, Political Science, Economics, History, Journalism and Literature foster critical thinking, cultural awareness and an understanding of society, while language studies deepen appreciation of regional cultures and literature.
