PRINCIPAL'S MESSAGE

Dr. George Lekha
Principal
Mount Carmel College, Autonomous, Bengaluru

It is a tradition to take time to pause, turn around to look at the fruitful year gone by, achieving both expected and unexpected, setting various milestones and synergizing ourselves to move ahead to face the challenges in the coming year, with a positive attitude.

As we share the updates of our activities we take the modesty to say that we did our best as we had planned and we are proud of our students and teachers who strive hard to achieve beyond expectations. Our college has honed and fine-tuned a learning and life-skilling system that has been benchmarked across the region.

Each of these achievements and initiatives is a step forward in our mission to nurture our students in the right way. Our journey this year has been a story of growth, success, and dedication, and none of this would have been possible without the support of management, the hard work of our teachers, the enthusiasm of our students and the blessings of the stakeholders.

We are here to recount with immense pride our achievements for the academic year 2024-25.

INSTITUTIONAL ACHIEVEMENT

Mount Carmel College, Autonomous, Bengaluru successfully completed the fifth cycle of NAAC Accreditation and was awarded A+. We thank IQAC, Staff and Students and all our stakeholders – students, parents, alumni and industry partners for being a part of our journey committed to excellence in value based quality education.

OUR GRATITUDE & CONGRATULATIONS

The Management, Staff & Students would like to place on record their gratitude to the following staff whose services over decades have contributed to the growth of our institution. As they retire, we wish them good health and happiness in this new phase of their life.

RESEARCH ON CAMPUS

Centre for Scientific Research and Advanced Learning

❖ **In-House Carmelight Journal**

- **Release of Special Edition** – The Special Edition of In-House Carmelight Journal Vol-22 (I-B) was released for International Multi-disciplinary Conference on Delineating the Borders of the Uncanny Explorations during the Faculty Felicitation Programme on 29th June 2024.
- **Release of ANVESHAN Book of Abstracts** – In-House Carmelight Journal released the ANVESHAN Book of Abstracts for the International Conference on Navigating Cross-functional Collaboration for Ecological Security Pattern on 17th Jan 2025.
- **Release of Special Edition** – The Latest Special Edition of In-House Carmelight Journal Vol-24 (I-B) was released for International Conference on Hindi Basha Kausal, Bashaah Dakshata Evam Bharathiya Gynan Parampara on 29th June 2024.

❖ **Events conducted by the Research Centre**

- Management Funded Research Projects (**SEED Money**)
- Management Funded Research Projects sanctioned for the year 2023-24 Sixteen Projects (16) have been sanctioned with a budget allotment of Rs. 23,80,000/-. Out of 16 projects sanctioned, seven (07) Major Research Projects and Nine (09) Minor Research Projects sanctioned as SEED Money on 23/01/2024
- **Final MRP Presentation,** 27th of July and 3rd of August 2024 for the In-house Faculty members who got sanctioned seed money under Management Funded Research Projects (Major & Minor) for their research works
- **Faculty Felicitation programme,** 29th June 2024 – for faculty members who were awarded Ph.D. during the year 2023-24 and publications in reputed journals
- **Community Development Programme** - Dr. Pradeep N has initiated a collaborative project with many industries and developed the prototype instrument "**Nano UV Fabricator & Analyzer**" which is under the process of Marketing

❖ **Patents Filed and Published**

- **Indian Patent Design granted** on 08/10/2024, entitled SIZE ADJUSTABLE AUTOCLAVE / PRESSURE CHAMBER. Design No. 417598-001.
- **Indian Utility Patent granted** on 06/11/2024, entitled VEGETAL-BASED BIOSUBSTRATE FOR GROWING SEMICONDUCTOR NANOSTRUCTURES FOR

USE IN OPTOELECTRONIC DEVICES, AND A METHOD FOR PRODUCING THE SAME. Patent No. 553973

❖ **MoU's**

- Biocon Biologics Pvt. Ltd. , 3rd April 2024 with the objective to provide research and internship opportunities to PG Science Students

❖ **Training Programme**

- Biocon Biologics conducted a training program for Biological Science students , 3rd April 2024

❖ **Guest Talks /Workshops**

- **"Research & Internship opportunities with Biocon Biologics"** a special talk in collaboration with Biocon Biologics, 3rd April 2024
- **"Publishing in High Quality Journals"** 26th August 2024 by Dr. Venkat Iyer, Barrister, Northern Island, UK, Editor, The Round Table: The Commonwealth Journals of International Affairs

- **"Exploring Data Analytics in Biological Research – Insights and Strategies"** a workshop in collaboration with Department of Computer Science and in association with Xavier Board of Higher Education in India, University of East Anglia, UK and Santa Monica, Study Abroad Pvt. Ltd., 18th April 2024.
    - I Session - Prof. Vince Paul, Professor & Head, Dept. of Computer Science & Engineering, Christ College of Engineering, Thrissur
    - II Session - Prof. Beatriz De La Iglesia, Professor & Head of School of Computing Sciences, University of East Anglia, UK
    - III Session - Prof. Manjula K.R, Professor, Dept. of Biotechnology, School of Applied Sciences, Reva University, Bengaluru.
- **Synthesis of Nanostructured Materials-I**, a one hands-on training and workshop for PG students, 13th August 2024
- "**Fundamentals of Academic Writing**" a guest talk Dr. Ganasoundari, Founder & MD, Rehoboth Academic Services Pvt. Ltd. as a part of NEXA-Skills for Professional Success in collaboration with CLDT, 28th September 2024
- **"Decoding the Prior Art – Essential Strategies for Research & Innovation"** by Ms. Rajitha TR, Indian Patent Agent, Patent Consultant, Bengaluru a one-day

workshop in collaboration with MCCIIE and MCC-KSCST Intellectual Property Cell, 4th January 2025

- **Exploring FT-IR Spectrometer & UV-Vis. Spectrophotometer,** a one-day training program for PG Students in collaboration with SPV TSAR LAB CARE (Thermo Scientific Company), 21st of February 2025
- **Inspire Series - I: "Amphibian Research in Karnataka"** by Dr. Deepak P, Associate Professor, Dept. of Zoology, Mount Carmel College, Autonomous, Bengaluru, 12th February 2025

❖ **Equipment's & Software's Purchased**

- Cooling Orbital Shaking Incubator (Heat Control) – Rs. 2,99,720/-
- Drillbit Plagiarism Detection Software (Renewal) – Rs. 2,24,200/-
- Double Beam U.V/Vis Spectrophotometer (Shimadzu UV-visible 1900I) – Rs. 6,89,000/-
- RT-PCR (Himedia) – Rs. 19,47,000/-
- FTIR (Thermo Scientific) – Rs. 22,50,000/-
- Turnitin Plagiarism Detection Software – Rs. 5,68,417/-

CONCLUSION

I would like to conclude by extending our sincere thanks to all the parents and each and every one of our well-wishers who have supported us through the years, in every step of our journey. We are grooming our students to be confident, happy and secured youth of tomorrow so that they move with confidence from the familiar, safe cocoon of the home and college to the uncertain, challenging world outside.

Mount Carmel College is progressing in leaps and bounds towards its mission- "Empowering through Education". Yet, in today's world, no institution of repute and quality can afford to sit on its laurels.

We will continue to work hard and stand committed to our pledge for bringing out the best in each student and reaffirm that "Every child of this college is an Asset".
