WHO WE ARE ?

A legacy that now leads

Since 1948, Mount Carmel (Deemed to be University), Bengaluru, has set enduring benchmarks in quality, value-based higher education, guided by its inspiring motto,“ Empowering through Education.”

Building on its rich legacy of academic excellence, the multidisciplinary University embarks on a new and transformative chapter with the introduction of doctoral programmes. Supported by state-of-the-art infrastructure, distinguished faculty, and a vibrant academic ecosystem, the University offers aspiring researchers an enriching platform to pursue intellectual inquiry, foster innovation, and explore emerging domains of knowledge.

Join us in pursuing doctoral programmes which are envisioned to nurture research that transcends disciplinary boundaries, addresses contemporary societal challenges, and contributes meaningfully to the nation’s progress, in alignment with the aspirations of Viksit Bharat 2047.
