B.Com

International Accounting & Finance

Integrated with UK ACCA

6 ACCA papers exemption

Programme Overview

The B.Com International Accounting & Finance programme is designed for aspiring finance professionals who want to build a global career with international credentials. It integrates the ACCA syllabus into the undergraduate curriculum and offers paper exemptions, so students earn a degree and progress towards a globally recognised professional qualification side by side.

- Students pursue ACCA alongside the degree and take a few external ACCA examinations during the programme.
- On-campus classes are delivered by ISDC professional trainers; ISDC is an ACCA Approved Learning Partner.
- Optional qualifications on the pathway: Advanced Diploma in Accounting and Business
