Action Taken Report by Internal Quality Assurance Cell - Academic Year 2019-20

Mount Carmel College (Autonomous), Bangalore meticulously gathered feedback on our curriculum from a diverse range of stakeholders, including students, faculty, staff, and parents, recognizing their invaluable perspectives. The feedback highlighted two critical areas warranting attention:

1. **Relevance**: Students expressed concerns regarding the alignment of certain courses with current industry practices and the evolving demands of the job market.
2. **Pedagogy**: Suggestions were made to enhance our pedagogical approach with more interactive and practical learning methodologies, such as case studies, simulations, and hands-on projects.

Actions Taken:

In response to the feedback received, the IQAC and curriculum committees have undertaken proactive measures:

1. **Comprehensive Curriculum Review**: A thorough evaluation of our existing curriculum was conducted, with a specific focus on updating courses to align with prevailing industry trends and standards.
2. **Introduction of New Courses**: To address emerging areas of significance across various fields, new courses have been introduced. These courses encompass burgeoning domains such as data analytics, sustainability, and digital marketing, enriching the breadth and depth of our curriculum offerings.
3. **Pedagogical Innovation**: Faculty members have been encouraged to embrace innovative pedagogical approaches by integrating interactive elements into their teaching methodologies. This includes the incorporation of case studies, group projects, and collaborations with industry partners to facilitate experiential learning.
4. **Strengthening Career Development Initiatives**: Recognizing the importance of preparing students for the competitive job market, enhanced career development initiatives have been implemented. These initiatives include career counseling sessions, resume-building workshops, internship opportunities, and networking events, all aimed at empowering students with the skills and resources necessary to pursue successful career paths.

Conclusion:

The IQAC of Mount Carmel College (Autonomous) emphasizes the crucial role of a dynamic and responsive curriculum in fostering academic excellence. The feedback provided by our stakeholders has catalyzed transformative change, guiding our efforts to enhance the overall learning experience.

Through these concerted actions, we are confident that our curriculum has been strengthened to better meet the evolving needs of our student community, thereby equipping them for successful careers in their chosen fields.

Moving forward, we remain committed to the ongoing evaluation of these interventions through robust feedback mechanisms and performance evaluations. The IQAC remains steadfast in its commitment to ensuring that our curriculum remains at the forefront of academic and industry advancements, while fostering a culture of inclusivity and diversity within our academic community.
