Creating Leaders for Tomorrow with Academic Interface Programme
Learning Today · Leading Tomorrow

TCS TATA CONSULTANCY SERVICES

About the Programme

B.Com Business Process Management (BPM) is an application-oriented undergraduate programme designed to integrate academic knowledge with practical industry exposure. Developed in collaboration with Tata Consultancy Services (TCS), it builds a strong industry–academia interface that bridges the gap between classroom learning and evolving business and industry requirements. The programme emphasises conceptual knowledge, professional competencies, business acumen, problem-solving abilities and workplace readiness through experiential, application-based and on-the-job learning.

Eligibility

Candidates who have completed II PUC or 12th standard (CBSE/ISC), or an equivalent qualification from a recognised board, are eligible for admission to the program. Further, the candidate should have studied both Business Studies and Accountancy in the qualifying examination

Programme Duration

B.COM BPM: 3 years programme in collaboration with TCS.
Extended fourth year B.Com Honours under NEP 2020.
The fourth year Honours is Optional
Class timings: 7:30 AM – 12:00 PM.
