ACADEMICIA 2025-26

APOTHEOSIS

THE ASCENT OF KNOWLEDGE

The Power of Ideas, The Spirit of Academicia.

On 19th September 2025, Mount Carmel College proudly hosted its annual inter-collegiate academic fest, Academicia 2025. With the participation of over 60 associations, the event brought together students from diverse academic backgrounds to celebrate knowledge, creativity, and innovation.

The day began with a formal inauguration ceremony at the DJ Block Auditorium from 9:00 AM onwards. The highlight of the morning was the panel discussion, “From Myths to Modernity: Building Pathways for Tomorrow,” which set the intellectual tone for the fest. The chief guest, Ms. Revathy Ashok, an alumna of Mount Carmel College and a distinguished leader, delivered an inspiring address that emphasized the importance of bridging tradition with innovation to create a brighter, sustainable future.

Following the inauguration, a wide array of association-led events and competitions unfolded across the campus, drawing enthusiastic participation from students. From thought-provoking debates and quizzes to engaging exhibitions and creative showcases, each event reflected this year’s theme, “Apotheosis: The Ascent of Knowledge.” The atmosphere was vibrant with curiosity and collaboration as students explored the intersections of history, science, art, and philosophy.

The fest concluded with a grand valedictory ceremony, where winners of the various competitions were felicitated. Adding to the excitement, Jain CMS was declared the overall champion, lifting the winning trophy. Academicia 2025 was not just a celebration of academic brilliance but also a testament to the power of ideas in shaping the world of tomorrow, leaving lasting memories for all who participated.
