PETS' DAY @ MCC

PETS DAY AT MCC WAS A HISTORIC FIRST AND AN ABSOLUTE SUCCESS!

Mount Carmel College celebrated Pets' Day for the first time ever on October 25, 2025, in partnership with The CJ Memorial Trust. The purpose of the event was to honor the unique relationship that exists between people and their pets while encouraging kindness, camaraderie and happiness among college students.

Dr. Parameshwara K.T., Deputy Director of the Department of Animal Husbandry and Veterinary Services, Bangalore Urban District, served as the Chief Guest at the inauguration, which was held at the Amphitheatre. The Guest of honor was Ms. Priya Chetty Rajagopal, managing partner of Multiversal Advisory LLP and founder of Heritage Beku and The CJ Memorial Trust. They offered their perspectives on the value of fostering empathy for all living things as well as animal welfare.

The day’s schedule featured a variety of engaging events, including the Pawcraft Challenge, Twinning Time and a Mini Obstacle Race, each designed to highlight the pets’ talents and the unique connection they share with their owners. Laughter and excitement filled the air as students cheered for their furry friends participating in the activities.

The celebration concluded with a Prize and Goodies Distribution, a heartfelt Vote of Thanks and a Photo Session that captured the spirit of the day. The event was met with overwhelming enthusiasm from students, staff and visitors alike.

MCC's Pets' Day 2025 was more than just an occasion; it was a happy occasion that served as a lovely reminder of the warmth, joy and companionship that pets provide to our lives. It paved the way for numerous other humanitarian endeavors in the years to follow.
