Investiture Ceremony 2024-25: A Triumphant Start!

The Mount Carmel College community proudly celebrated the Investiture Ceremony on July 2nd, 2024, marking the official induction of our new student council and association secretaries.

The ceremony, held in the vibrant Diamond Jubilee Block Auditorium, commenced with a prayer and the College Song, uniting the student body. The esteemed Chief Guest, Dr. Padmini Ram, Director of Urban Ethnographers, presented sashes and badges to our council members, officially entrusting them with leadership roles.

This year promises to be abuzz with activity! Secretaries from all 67 associations were introduced, and a special presentation showcased their plans for the year. Dr. Padmini Ram's inspiring speech on leadership resonated deeply, emphasizing unity and empowerment.

The ceremony culminated in a captivating cultural program, featuring a stunning display of student talent, from music and dance to a Shakespearean skit.

With the investiture complete, the MCC family is energized and ready for a remarkable year under the leadership of our dedicated student council and associat
